Membership in KNOW is a privilege. To retain and secure an industry position, a member must be in “good standing” with the organization at all times. A member in good standing is one who:

- Attends 75% of regular monthly meetings held as required. A missed meeting may be made up by (1) having two (2) one-on-one meetings with fellow KNOW members or (b) attending our monthly “Ladies Night Out”.
- Remits quarterly dues, weekly meeting fees, and (when applicable) all other fees assessed our members including, but not limited to, advertising and special events.
- Contacts the membership chair when absences (exceeding 2 meetings) are expected to occur.
- Agrees to abide by all rules and regulations as outlined in our by-laws. (Request a copy if you do not already have one.)

The information you provide to us above will be used strictly for communication to members and for members and for material we publish – in print, by broadcast media, or electronically – unless you notify us otherwise. By signing below, you do acknowledge this. Your information will never be shared or sold.
